

We recommend you to use a ring that fits you perfectly to use as reference for your new TARTETATIN, **measure its diameter** as shown in the picture. For greatest accuracy use a ring with a similar band width and style to that you want to costume made

We recommend that you should have to push your ring over the knuckle however it should feel loser around the base of your finger

If you prefer to, you can consult the following table for reference about the **different international sizes**
